SOLUZIONI PER MOBILI · FURNITURE STORAGE SOLUTIONS

Sige S.p.a. is a high-end Italian manufacturer of intelligent pantry storage and waste management solutions with a 50-year pedigree.

Continuous and carefully considered investments in the maintenance and purchase of technical instruments and the latest generation of machines that are needed to increase the efficiency and quality of every production process, tie in with insights from regular market research which drives a continuous stream of product innovations.

First impressions count, and the Sige pantry solution convince with their high-quality appeal, and prove their worth with smooth running characteristics even when heavily loaded – time after time. Choose between individual pull-out shelves or complete pull-out pantries to help organising everything in your pantry, or make the most of blind corners in your kitchen with smart swing-out corner units.

At the other end of the cooking process, Sige waste management solutions keep kitchen waste under control, and with a choice of bin sizes and configuration, play their part in supporting the recycling requirements of your household.
