UNILUX DRAWER

Unilux is FGV's premium drawer line characterised by a slim shape, Italian design and elegance.

Unilux is available in two trendy colours: white and dark grey. The drawer system is equipped with full-extension slides and the SlowMotion soft-closing system, ensuring smooth and silent closing, with an option for push to open.

WITH ELEGANT AND SLIM SHAPE

The Unilux drawer system combines a slim, elegant profile with smooth functionality. Four different heights allow you to create elegant drawer and pan drawer solutions while maximising storage space.

The Unilux drawer is available in standard White and Dark Grey create drawers with modern look and matching perfectly with wood and current design trends. The final result is an elegant and high-end furniture appeal.

Italian style, produced in the Hettich network.
